## Curren is sentenced by judge

*Morrow Co  
Sentenced  
Nov. 25, 1987*

Dale Allen Curren, who was convicted of four counts of gross sexual imposition and two counts of sexual imposition by a Morrow County jury on July 21 was sentenced on Nov. 9 by Judge Dean E. Curl of the Morrow County Court of Common Pleas to serve a total of three years at the Chillicothe Correctional Institute on the gross sexual imposition felony charges.

In addition, Curren was fined \$500 and sentenced to 120 days in the Morrow County Jail on the sexual imposition misdemeanor charges. The 120 day jail sentence was suspended on condition that Curren have no further incidents of sexual molestation with the next five years.

The convictions were the result of Curren molesting pre-adolescent boys in the Morrow County area over a period of several months in 1985 and 1986.

Morrow County Prosecuting Attorney Howard Hall indicated that the number of victims probably far exceeded those involved in these convictions.

The case is being further investigated by the Morrow County Sheriff's Department. Prosecutor Hall further identified Curren as a fixated pedophile who will probably never be able to be trusted in society without continual observation and restraints placed upon his activities.

## Vehicle license tax hike is considered

Hearings will be held on Aug. 17 and  
20 in the Morrow County Commis-  
sioners office on a proposal to enact  
one or both of two \$5 increases in  
motor vehicle license fees in the coun-  
ty.

Funds would be earmarked for road  
purposes.

The license taxes are covered under  
two sections of the Ohio Revised Code  
and each increase must be considered  
separately.

Each \$5 increase would mean an ad-  
dition of approximately \$112,000 to the  
county's highway funds. If both are  
enacted, the total increase would be  
about \$225,000.

New hours were established for the  
Morrow County Dog Pound effective  
Monday, Aug. 3.

The pound will be open from noon  
until 6 p.m. on Monday, Wednesday,  
Thursday and Friday, and from 9:30  
a.m. until noon on Saturday.

The pound will not be open on Tues-  
day and Sunday.

## Curren convicted by Petit Jury

On July 21, a Morrow County Petit  
Jury convicted Dale Allen Curren, 24,  
of four counts of gross sexual imposi-  
tion stemming from incidents which  
took place in 1986. They involved six  
young boys ranging in age from 10 to  
13.

Judge Dean E. Curl ordered a pre-  
sentence investigation and further  
ordered the defendant to submit to a  
psychological examination at the  
District V Forensic Diagnostic  
Center. Upon receipt of reports from  
the Probation Office and the  
Diagnostic Center, the defendant will  
be sentenced.

Curren faces up to two years in the  
State Penal System on each count of  
gross sexual imposition and up to two  
months in the Morrow County Jail on  
each count of sexual imposition.

## Street Supt. cited after altercation

Mt. Gilead Street Commissioner  
Gerald Holtrey was charged by police  
with assault after an incident on July  
20 involving Jeff Ransbottom.

Holtrey was on vacation this week,  
according to Mayor Charles Giauque  
who said that the matter would be  
considered by the village council at its  
next meeting.

that the county had been accepted into  
the program.

The commissioners had been in the  
process of applying for participation  
in the flood insurance program before  
the flood on July 2.

The measure makes it possible for  
all residents to obtain the insurance  
through local agents.

Those who are applying for disaster  
grants or loans as a result of the July 2  
flood will be required to carry in-  
surance equal to the amount of the  
grant or loan.

About 10 percent of the land in Mor-  
row County is considered to be flood  
prone. Participation in the insurance  
program means that the county must  
regulate land use in areas where  
floods can be expected.

Jon Higgins

Jon Higgins, TR 121, Mt. Gilead, is  
one of 166 outstanding Ohio college  
students who will receive Ohio  
Teacher Education Loans for 1987-88.

The announcement was made last  
week by Gov. Richard F. Celeste, who  
said that this is the second year for the  
program.

If the loan recipient teaches a sub-  
ject in Ohio in which there is a shor-  
tage of teachers, the State forgives  
the loan. A year of teaching earns  
forgiveness of 20% of the loan. If the  
teacher chooses to teach both a shor-  
tage subject and in a geographical  
area of shorage, the loan is forgiven at  
the rate of 25% every year.

Subject shortage areas include:  
Mathematics, Physical Science,  
Foreign Language,  
English/Language Arts, Library  
Media and Industrial Arts  
Technology.

The areas of geographic shortage  
include the 28 Appalachian counties  
and the city schools of Akron, Canton,  
Cincinnati, Cleveland, Columbus,  
Dayton, East Cleveland, Toledo and  
Youngstown.

The average award amount was  
\$3,000 for both new and renewed reci-  
pients. The total possible award  
amount per student is \$5,000 per year,  
with a maximum loan of \$15,000  
available per degree.

Higgin's award was for \$5,000. He  
will attend Bowling Green State  
University.

Dear Wayne:

We received a letter from you in November of 1986, and also wrote to you in February of 1987, concerning the above-named individual. We are again enclosing a Confidential Record Sheet which we would like to have completed. This will enable us to identify Mr. Curren should he try to register in some other location.

We would also like to have more information concerning this matter. Please give us more information concerning the type of felony which occurred. We also need to have any newspaper clippings or court records which would help to substantiate our refusal of registration attempts.

If you have any other information, such as statements from individuals or other material, please do not hesitate to send this to us. We must have a more complete file if we are to refuse registration in later years.

Sincerely,

Paul Ernst, Director

SUBJECT: Dale Curren

Dear Bob:

In November of last year, you sent us information concerning the above-named individual. At that time, you indicated that he had been accused of a felony and should be dropped. We dropped him from our records in Pack C3047; therefore, he is not registered with us at this time. We also issued a credit for Boys' Life which was stopped.

I am enclosing a Confidential Record Sheet which I would like to have completed, so that we have more information that will enable us to identify Mr. Curren should he try to register in some other location.

We would also like to have more information concerning this case. If you have any newspaper clippings or copies of court records, we would appreciate those since they will strengthen our file. We would also like to know if the trial has yet occurred and the outcome; sentencing is most important to us in having a complete file so that people may be able to refuse registration should attempts be made in later years.

Let us know if we may be of help to you.

Sincerely,
